Dear Chief Rubin,

Please allow me to extend my thanks to Captain Leroy Cade for his participation in our recent Technician Promotional Process, which was held April 21-25, 2008. He was courteous, professional, knowledgeable, and enthusiastic, which helped to make the process a success.

Further, it would be impossible to hold such a process without outside personnel to act as assessors. I understand that sending personnel to assist other jurisdictions can be difficult and I appreciate your willingness to help our Department. If there is anything we can do to assist you in the future, please don't hesitate to ask.

Regards,

Joseph E. Pozzo
Chief of Department
